

The NASA Space Grant Scholarship and Fellowship Program comprises individuals from engineering, science, and education who work together for the advancement of science and engineering. Students interested in applying to the program must pursue a degree in a NASA related discipline.

## NASA Idaho Space Grant Scholarship Program Application

### ~ Goals ~

- ★ To identify, recruit, and retain students in math, science, engineering and science / math education disciplines
- ★ To encourage women and underrepresented students to enter NASA related fields of study
- ★ To increase awareness of NASA activities in Idaho

Students attending the following institutions may be eligible to apply:

Albertson College of Idaho ★ Boise State University ★ Brigham Young University – Idaho  
College of Southern Idaho ★ Idaho State University ★ Lewis-Clark State College  
North Idaho College ★ Northwest Nazarene University ★ University of Idaho

**APPLICATION DEADLINE IS MARCH 3<sup>rd</sup> (5pm PT)**

## Applying for a Scholarship

Students pursuing a baccalaureate degree at one or more Idaho Space Grant Consortium member institutions may be eligible to apply for the ISGC Scholarship. Other requirements include:

- U.S. Citizenship
- Entering a science, math, engineering, or science / math education discipline as a full-time student
- A current cumulative GPA of 3.0 or higher

Awards are up to **\$1,000** per academic year, renewable annually upon the completion of program requirements. Awards are granted for a maximum of five academic years.

### **Application Submission and Contact Information**

Please submit all materials in the following order, **stapled** in the upper left hand corner:

- Completed application
- Essay / proposal
- Resume
- Letters of support (remove from envelopes)
- Transcripts (remove from envelopes)
- ACT/SAT scores (if available) – acceptable on transcripts

Submit 7 complete packets (one original / 6 copies) to:

Dr. Jean Teasdale  
NASA Idaho Space Grant Consortium  
University of Idaho  
PO Box 441011  
Moscow, ID 83844-1011

---
